Welcome to American Animal Care Center Boarding Facilities!  
**BOARDING FORM AND POLICIES**

In case of illness or injury, I, undersigned, do hereby, give my consent for the doctors of American Animal Care Center to treat, prescribe for, or operate upon my pet(s) while they are boarded at the American Animal Care Center.

**They are to use all reasonable precautions against illness, injury, or escape of my pet(s), but they will not be held liable or responsible in any manner whatever, under any circumstances, on account of the care, treatment, or safe keeping of my pet(s), as it is thoroughly understood that I assume all risks.**

Should the circumstances arise that my pet(s) remain unclaimed after the date, which I have stated as the pick-up, I understand that written notice will be mailed to the address below. Seven days after such written notice the pet(s) will be considered abandoned and may be disposed of, or destroyed, as you deem best. It is further understood that such action will not relieve me from paying all costs of your services and the use of your hospital, including the cost of the boarding service.

Physical examination by a veterinarian is recommended at a charge of an office visit.

Boarding pet(s) will not be examined by a doctor unless mentioned by owner or technician.

Because pets are in a different environment, they may soil themselves or their surroundings, the hospital will bathe pet(s) if this happens.
